

WINDY CITY AVIATION – Immediate Opening Available!

Position: Flight Instructor

Windy City Aviation (WCA) is seeking full-time CFIs for Flight Instructor positions at Chicago Executive Airport in Wheeling, IL (PWK).

Located at Chicago Executive Airport (PWK) for 30 years, Windy City Aviation is a flight training center and flying club with over 120 active club members and more than 60 current students working towards a certificate(s) or rating(s).

WCA provides a stable and structured training environment that allows professional aviators the opportunity to build hours quickly while networking with others in a fun and exciting learning environment. Committed to creating an exceptional customer experience, our focus on safety and customer service allows WCA to stand out among other training centers.

In addition, WCA is also a flying club which allows our instructors access to aircraft that are not directly part of the training fleet aircraft. Historically full-time WCA CFI's can instruct 700-800 hours a year and build hours faster than most other flight school in region. For those unsure about the next career move, qualified applicants can transition into the Charter side of WCA.

Minimum Requirements:

- Must possess a 3rd Class Medical
- Must possess a current CFI-A
- Experience with various types of GPS equipment
- High level of knowledge in basic aircraft systems

Preference will be given to Candidates with:

- CFII
- Previous flight instruction experience
- High level of knowledge in G1000 equipped aircraft

Details:

- Pay rate based on experience level
- Increase pay rate opportunities
- Benefits available after 90 days (Health & Dental)

Interested candidates should send resumes to hr@windycityaviation.com.
